Students will learn tap technique and have the opportunity to participate in Tap Exams following the prestigious Glen Wood Tap Syllabus.

Senior Troupe Performance Teams: In order to represent Instyle Performing Arts at local dance competitions, eisteddfods, fetes and community events, students are required to participate in the above classes as a pre-requisite for these performance classes. These classes are suitable for students in High School and will give your child the chance to perform regularly throughout the year.

Each Performance Troupe Team requires students to attend specific perquisite classes to be able to be part of specific Instyle Performance Teams (genre/style). This is to ensure students are practicing the appropriate skills and learning in these specific styles of dance to ensure their dance training is at a high level to be part of the team.

Policies and Procedures

Fees – Fees are to be paid per term and need to be finalised by **Week 2** of each term. Fees can be paid in cash, or direct deposit and all fees paid will receive a receipt for your records. **All fees are non-refundable and non-transferable once paid.** If students miss a lesson, they are more than welcome to make it up by attending another/similar class. If there are any problems with fee payment, please see Courtney for an alternative payment schedule. (Please **note:** students will not be able to perform in the concert unless all of their term fees, costume deposits and final costume payments have been paid). _____

Classes – Class times have been scheduled for 2023 however; Instyle reserves the right to modify the timetable as required. Parents are allowed to watch their children for the last 10 minutes of class at the end of every term – Week 10 (except for Term 4, as we will be preparing for our annual concert). _____

Uniform and grooming – Students must be neatly attired and in the **studio uniform at all times** for the appropriate class. Parents are responsible for purchasing the correct dance wear and dance shoes for each class. Student's hair is to be in a bun (for ballet) or in a neat ponytail (jazz, tap, acro). Students who attend class dressed in the incorrect attire and without hair neatly done will be restricted from attending the class. _____

Private Lessons – All private lessons **MUST** be paid before commencing the class. If you miss a private lesson and do not give more than **24 hour's notice** without rescheduling, payment for the missed lesson **MUST** be made. Private lessons are booked for the entire year and eisteddfod students are required to have a regular time slot. _____

Concert & Concert Costumes – Our end of year concert is held in Term 4 (A Saturday in November). Every student participating in the end of year concert will be required to purchase a costume for every class/routine. **Enrolment in Term 3 and onwards indicates a commitment to the concert** performance and costumes will be ordered for your child. More details will be given throughout the year. _____

Performance Teams & Costumes – Being a part of the performance team requires **100% commitment**, therefore, all students in our performance teams are **required to attend all of performances** scheduled for the year. Failure to attend scheduled classes/performances will forfeit your position in the team. Each performance team requires a costume for each routine. We endeavour to keep the costs as low as possible; however, we pride ourselves on our professionalism and take great care of our image. _____

Students Behaviour – Students are to be on their best behaviour at all times whilst on the premises and must not disturb any classes. Parents are responsible for their children's behaviour and safety whilst at the studio and not in class. Students are not to loiter outside or run around the foyer area. The safety of every student is paramount. _____

Parents – Parents are asked not to disturb classes while in progress. If you need to contact us, please call, text or send an email. If we are unavailable, please leave a message and we will phone you back ASAP. _____

Punctuality – Parents are responsible for ensuring students arrive and are collected on time. Teachers and staff are not always available to supervise late pick-ups so if you are running late, please contact us. Continual lateness is disruptive to the class so we would appreciate your cooperation. _____

Communication – Emails will be distributed throughout the year to keep you updated with any events happening within the studio. If you do not receive any emails, please see the office staff. Please also check your junk/spam folders. We will also have important information on Facebook and Instagram as reminders. It is important that all parents and students are well informed about any upcoming events or important news. _____

Parking – There is plenty of parking at the studio (in front and behind), therefore, please park in spaces that are easily accessible for all concerned. The driveway can become quite congested so please give way to cars turning into the driveway from Windsor Rd and when exiting the studio, please turn left onto Windsor Rd and use the petrol station to turn around. Please remember to **drive slowly** in the driveway. _____
